Description/Key Sales Points		
<p>In Castellers, players compete to create the best and tallest human towers.</p> <p>The taller the tower, the wider the tower, the more points you earn...but take care to not let the tower fall!</p> <p>World famous game designer, Reiner Knizia, author of such games as Lord of the Rings, Ingenious, and Explorers, has created one of his most novel designs in this dynamic game.</p>
